- Questions?

Expected presentation time: 5-10 minutes

Corodeanu David Cristian

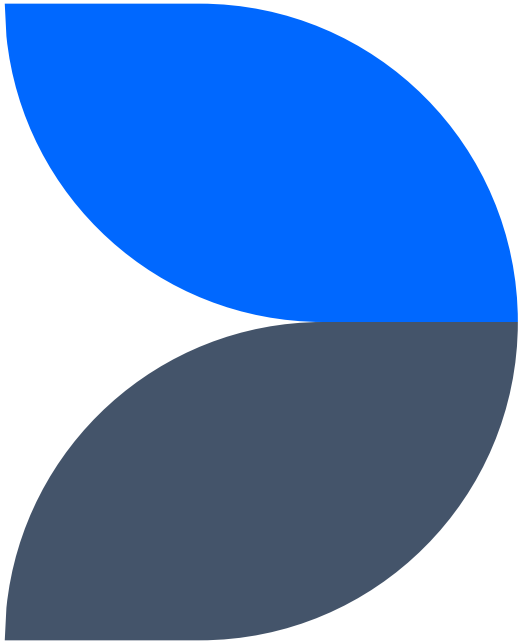
I am a passionate gamer and programmer that is eager to embark on new journeys and conquer challenges ahead.

Let’s go the Portfolio Website!

Conclusion

- You have gained more insight into who I am.
- This has been a semester packed with interesting experiences and I have greatly developed both my technical and professional skills.
- This Portfolio shows some of my biggest accomplishments in this first half of the scholar year(2025-2026).
- Looking forward for the future (~~exam week~~ vacation)!

Questions?



Thank you
