ME

How would you describe me?

Your answer:

Structured, observant and highly organised. You are the person who keeps tabs on every task and everyone.

What do you see as my strength(s)?

Your answer:

You can keep track of all aspects of a project, make it actionable and break it down for everyone.

Can you describe a situation when I demonstrated this strength?

Your answer:

You always reminded people of deadlines, keeping Jira more organised and time logging.

ME IN A TEAM

How do you see my role in this team?

Your answer:

Currently you are a great team member, but I would like to see you try project management if you are up to the challenge.

What is my contribution to this team?

Your answer:

You provided much needed structure to the project team.

What would you ask me to help you with?

Your answer:

Help in assigning tickets, or documentation.

TIPS

Do you see any room for improvement for me as a team member?

Your answer:

I can say the usual, try to be more active in coding things.

Do you see any room for improvement for me as a future IT-specialist?

Your answer:

You should explore project management or a scrum master path.

What competences would you recommend me to work on?

Your answer:

I'd recommend you to explore multiple things as so far I don't believe you have an aspect of IT you would like to turn into a career
