

# 360 DEGREE FEEDBACK FORM

FROM: Peter Kapsiar

TO: Corodeanu David Cristian

## ME

**How would you describe me?**

Calm, hard working, dedicated

**What do you see as my strength(s)?**

Willingness to learn and put in some work

**Can you describe a situation when I demonstrated this strength?**

During the second period when we worked together. When something came up that was new to you, you did your research about the topic.

## ME IN A TEAM

**How do you see my role in this team?**

Overall an essential part.

**What is my contribution to this team?**

Reliable quality allround help

**What would you ask me to help you with?**

Source information for planning future progress.

## TIPS

**Do you see any room for improvement for me as a team member?**

No remarks

**Do you see any room for improvement for me as a future IT-specialist?**

Dive into the industry as much as possible. Do more projects - expertise will come naturally.

**What competences would you recommend me to work on?**

Problem solving, the most important competence in IT. The ability to work out a solution to any task you are given.
