## ME

How would you describe me?

Funny and hardworking

What do you see as my strength(s)?

Problem Solving

Can you describe a situation when I demonstrated this strength?

In both periods 2 and 3, I noticed that whenever we had a problem you were the first person to come up with a solution. Even when that solution was not correct I gave us the right direction.

## ME IN A TEAM

How do you see my role in this team?

You are a fantastic team member to work with who really bumps up the atmosphere inside the team.

What is my contribution to this team?

You always deliver quality work and great solutions to problems

What would you ask me to help you with?

I would of course ask you to help me with problems and give me advice on how to tackle those problems.

## TIPS

Do you see any room for improvement for me as a team member?

I can already see that you are a great team member and keep doing what you do now.

Do you see any room for improvement for me as a future IT-specialist?

You can always improve your designing skills

What competences would you recommend me to work on?

Do not overload yourself with tasks.
