

# 360 DEGREE FEEDBACK FORM

FROM: Elvinas Brazionis

TO: David

## ME

**How would you describe me?**

I think you are a very serious guy to work with.

**What do you see as my strength(s)?**

Your strengths are communication with people and the ability to take things seriously

**Can you describe a situation when I demonstrated this strength?**

I got a chance to work with you in the BattleBot project, I think you were a good leader, if I had any questions regarding the documentation, you answered them.

## ME IN A TEAM

**How do you see my role in this team?**

You were the leader of the team and the guy that knows what needs to be done.

**What is my contribution to this team?**

You contributed a lot in the documentation and of course in the second maze, our team placed 2<sup>nd</sup> and you were a part of it.

**What would you ask me to help you with?**

I would ask you to help me make a good project plan, because I know that you know how these things work.

## TIPS

**Do you see any room for improvement for me as a team member?**

You could improve your skills in managing uncomfortable but much needed situations, like giving strikes and giving feedback to people face-to-face

**Do you see any room for improvement for me as a future IT-specialist?**

A improving your coding skills. More experience in coding is needed to be an IT specialist

**What competences would you recommend me to work on?**

Coding
